

CAMP SATURNA 2019 COOKING FACILITIES INFO

Guests must provide ALL food and drink supplies including coffee, tea, condiments, seasoning and spices. No Camp Saturna food or condiments are to be used.

The following equipment is available for use for meal preparations: commercial ovens with stove top and griddle, refrigerators, freezers, sinks, commercial dishwasher, food preparation counters, an ice maker, mixer, and coffee maker.

Dishes and utensils for eating and for cooking (pots, pans, cookie sheets etc.) are provided.

Cleaning equipment and cleaning supplies are provided.

Observe proper hygiene in the kitchen. Hands must be washed prior to any food handling. No sitting on counters, do not use the kitchen for anything other than meal preparation and always wear close-toed shoes.

Scraped off or leftover food must be placed in a garbage receptacle, **NOT** down the sink drains. Place fat drippings in an empty can and refrigerate prior to disposal in a garbage receptacle.

For safety reasons; children are not permitted unsupervised in the kitchen at any time.

ABSOLUTELY NO SMOKING IN THE KITCHEN. It is illegal and has the potential to set off the fire suppression system.
