

CAMP SATURNA 2019 LODGING INFO

Guests are responsible for providing their own pillow, sleeping bag, or twin fitted sheet and blankets. Guests are responsible for providing their own towel, soap, and shampoo. Toilet paper and paper towels are provided by Camp Saturna.

The **Main Lodge** includes a dining area (max capacity 139 people), large kitchen, a primary classroom/meeting room and one smaller meeting room. A fireplace is available in the dining hall with firewood available from the Camp Superintendent upon request.

- Please keep all food and drinks off the carpeted areas, which include all of the second-floor classrooms and meeting spaces.
- Please remove wet/dirty footwear before entering the carpeted areas on the second floor.

The **Ershig Lodge bunkhouse** is next to the Main Lodge and has bunks for up to 40 people spread throughout 4 rooms. There is a small apartment with a double bed and a bunkbed. The main bunk house has 3 showers and 3 unisex washrooms. The apartment has a washroom with shower. Both areas have a refrigerator, sink and microwave.

The **cinder block building** between the Main Lodge and Ershig Lodge has a men's, women's and unisex ADA washroom. There is a bank of sinks on the exterior wall facing the lake. These are the primary washrooms that serve the Main Lodge. All camp attendees should wash their hands before each meal and after using the washroom facilities.

The **east side** of the Camp Saturna property has extensive areas for **camping** that include Adirondacks (3-sided bunk structures), tent platforms with canvas tents, and tent sites. All camping areas come with cold running water, hand washing stations and vault toilets. The **Shower House** on the east side of the lake has several showers, flush toilets, and hand washing sinks.

RVs can park on the East Side of the lake, but no more than 4-5 would fit in the space allocated and there is NO power or water for the RVs of any kind.
